PRESENTER BIO

Steve Moore, PE, Senior Engineer for ATL, is a licensed Professional Engineer in New York, Massachusetts, and Vermont. He has over 15 years of experience with nondestructive testing (NDT) of construction materials, monitoring of construction vibrations, and quality assurance/quality control testing of construction materials.

WEBINAR SERIES

Atlantic Testing Laboratories, Limited (ATL) has provided continuing education seminars for PDH credit since 2006. The seminars are now approved for online presentation, and are intended to provide participants with an understanding of technical topics that will assist with their project needs. Attendees are eligible to receive NYS accredited PDH credits.
